Yes, it is. Where did you visit?

I went to Paris and Nice.

Did you go to the top of the Eiffel Tower?

Yes. It was an incredible feeling. I could see all of Paris and I took a lot of photos. I still feel thrilled from it!

That’s exactly how I felt when I was there the first time. What about Nice? Did you have a good time there?

Yes, it’s a beautiful city. It has the most beautiful beach I have ever seen.

Yeah. There are also many festivals in Nice too. We have the music festival, the firework festival and the carnival.
